The Megger insulation tester is a small, portable instrument that gives you a direct reading of insulation resistance in ohms or megohms. For good insulation, the resistance usually reads in the megohm range. The Megger insulation tester is essentially a high-range resistance meter (ohmmeter) with a built-in direct-current generator.

A Stitch in Time is a semi-postmodern mosaic of interwoven retrospectives, soliloquys and and first-person stories written in the voice of Garak, the brilliant Cardassian tailor, or is it "spy"? The action takes place before, during and after DS9, from the perspective of an Elim Garak once again reinventing himself and Cardassia after the empire's liberation from the military's Central Command.
