Debate is a process that involves formal discussion on a particular topic. In a debate, opposing arguments are put forward to argue for opposing viewpoints. Debate occurs in public meetings, academic institutions, and legislative assemblies. It is a formal type of discussion, often with a moderator and an audience, in addition to the debate participants.

Highlights This study examined students' problems with argumentation in essay writing. The results show academics' and students' difficulties with conceptualising argument. Consequently, the instruction given to students is vague and inconsistent. A framework for teaching writing which puts argumentation at the centre is proposed.

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.
