You make some great points. This is a similar issue with other conditions where there isnâ€™t a pretty obvious physical diagnosis such as prostate cancer.

Is Autism an "Epidemic" or Are We Just Noticing More

Societal and cultural aspects of autism come into play with recognition of autism, approaches to its support services and therapies, and how autism affects the definition of personhood. The autistic community is divided primarily into two camps; the neurodiversity movement and the autism cure movement. The neurodiversity movement believes autism is a different way of being and advocates against ...
