Occult Biography "A well-written life is almost as rare as a well-spent one. "So wrote Thomas Carlyle, the great 19th century essayist and historian. It has also been said that if one wishes to know about the life of any well-known historical personage, one should read their biographies, but never their autobiographies. This is true, for in their autobiographies, men and women whitewash ...

@SFun28 Why? The pdf() device is for plotting PDF figures. It is not a device for PDF documents. That is an important distinction, which you seem to be conflating. Your presumption that because pdf() allows for quite sophisticated control of the dimensions of the outputted PDF it is suitable for these document processing tasks is incorrect; it (adding page numbers) might be a basic scenario for ...
