

emergency pediatric care pre pdf

Emergency nursing is a specialty within the field of professional nursing focusing on the care of patients with medical emergencies, that is, those who require prompt medical attention to avoid long-term disability or death. Emergency nurses are most frequently employed in hospital emergency departments (EDs), although they may also work in urgent care centers, sports arenas, and on medical ...

Emergency nursing - Wikipedia

An emergency department (ED), also known as an accident & emergency department (A&E), emergency room (ER), emergency ward (EW) or casualty department, is a medical treatment facility specializing in emergency medicine, the acute care of patients who present without prior appointment; either by their own means or by that of an ambulance. The emergency department is usually found in a hospital or ...
