FEMINIST THERAPY: ROOTS AND BRANCHES Contemporary feminist therapy grew out of the Women's Movement of the 1960s. This began as a grassroots movement—a social and political movement that grew out of the dissatisfaction of common women in everyday life. To this day, feminist therapy seeks to remain true to

Theory, Feminism, and Feminist Theory . As we begin to consider feminist theory, we must examine a number of important and central issues, including: • What is "theory"? What does it mean to theorize? • What is specifically feminist about feminist theory? • Are there specific methods for feminist theorizing?

### **Theory, Feminism, and Feminist Theory**

In contrast to traditional psychotherapy, feminist therapy adopted a growth and development approach to treatment rather than an illness and remediation (e.g., medical model of treatment) (Sturdivant, 1980).
