Chess Teaching Manual ... If you follow this guide you shouldn't have any problems. Even if you do know

something ... about chess, or for those a bit shaky on the rules, explanation sheets have been provided for the instructor to read. The intent of these sheets is to

Chess Teaching Manual

Chess is a game of logic and common sense. Once you learn the moves and the rules, you can see how everything works together and can appreciate its beauty and underlying simplicity. Chess was developed and refined by innumerable players and theorists over several millennia and in all world cultures.
