The udug, later known in Akkadian as the utukku, were an ambiguous class of demons from ancient Mesopotamian mythology who were sometimes thought of as good and sometimes as evil. In exorcism texts, the "good udug" is sometimes invoked against the "evil udug". The word is generally ambiguous and is sometimes used to refer to demons as a whole rather than a specific kind of demon.

Grendel is a character in the Anglo-Saxon epic poem Beowulf (AD 700â€“1000). He is one of the poem's three antagonists (along with Grendel's mother and the dragon), all aligned in opposition against the protagonist Beowulf. Grendel is feared by all but Beowulf. Grendel is described as descended from the lineage of the Biblical figure Cain, from Genesis 4 of the Bible.
