

more than a flirt pdf

Flirting or coquetry is a social and sexual behavior involving verbal or written communication, as well as body language, by one person to another, either to suggest interest in a deeper relationship with the other person, or if done playfully, for amusement.. In most cultures, it is socially disapproved for a person to make explicit sexual advances in public, or in private to someone not ...

Polygyny occurs when one male gets exclusive mating rights with multiple females. In some species, notably those with harem-like structures, only one of a few males in a group of females will mate. Technically, polygyny in sociobiology and zoology is defined as a system in which a male has a relationship with more than one female, but the females are predominantly bonded to a single male.
