Mama Mirabelle's Home Movies is a British animated educational television series. Set in the African savanna, it focuses on an enthusiastic elephant named Mama Mirabelle, who travels around the world to film real wildlife footage and project them onto a screen of fireflies in front of almost the entire animal kingdom. The "Home Movies" are used for educational purposes not only for the principal ...

The brown bear (*Ursus arctos*) is a bear that is found across much of northern Eurasia and North America. In North America the population of brown bears are often called grizzly bears. It is one of the largest living terrestrial members of the order Carnivora, rivaled in size only by its closest relative, the polar bear (*Ursus maritimus*), which is much less variable in size and slightly larger ...
