This article is about poverty within the population of the United Kingdom as distinct from UK policy on world poverty.. Despite being a developed country, those who are living at the lower end of the income distribution in the United Kingdom have a relatively low standard of living.Data based on incomes published in 2016 by Department for Work and Pensions (DWP) show that, after housing costs ...

Accurate, up-to-date, comprehensive cancer information from the U.S. government's principal agency for cancer research.

Comprehensive Cancer Information - National Cancer Institute

<http://www.great-books-dwld.ru/new.html>

Cancer pain may affect quality of life and ability to function even after treatment ends. Pain that is severe or continues after cancer treatment ends increases the risk of anxiety and depression. Patients may be disabled by their pain, unable to work, or feel that they are losing support once their care moves from their oncology team back to their primary care team.
