McNickle's first novel

Formulating a Native American Modernism in John Joseph

serious engagement by Native artists with modernist aesthetics and thought. Their artistic choices, what they
appropriated and what they rejected, offer insights into the fashioning of their respective artistic identities and
how they promoted work that straddled divisions between Native American art and Euro-American
modernism.

Smith is a role model for many Native American and other engaged artists. She challenges misconceptions about indigenous culture and uses her art, public art, lectures, workshops, curating, and writing to enlighten the mainstream. Smith has been a visiting artist at universities across the United States, Europe, and China for over thirty years.

Feminist Studies > Contemporary Native American Women

example, just as modernism (Units 10â€“13) is often seen as a response to realism and the Gilded Age (Unit 9), so Romanticism is seen as a response to the Enlightenment (Unit 4). Most of the units focus on one era (see the chart below), but they will often include relevant authors from other eras to help
