CDC's Gateway to Communication and Social Marketing Practice provides resources to help build your health communication or social marketing campaigns and programs.

Gateway to Health Communication & Social Marketing

Definition. Marketing is defined by the American Marketing Association as "the activity, set of institutions, and processes for creating, communicating, delivering, and exchanging offerings that have value for customers, clients, partners, and society at large." The term developed from the original meaning which referred literally to going to market with goods for sale. From a sales process ...
