

trials rogue mage anthology pdf

Trials is an anthology of stories set in the universe of the Rogue Mage world. Rogue Mage is a book series written by Faith Hunter. It has three books, and a roleplaying game, and now these anthologies. The stories in this anthology are set in the same universe, but take place before the first book in the Rogue Mage series. The anthology includes stories from nine authors and several vignettes.

Trials (Rogue Mage Anthology Book 1) by Faith Hunter

I read the third book when it was released. Trials is set largely before the original book. I love the short story format so I was really interested in reading this anthology. Faith Hunter's Rogue Mage world is built so solidly that other authors were able to write stories in that world. That is amazing. Faith Hunter wrote several of the stories.
