room temperature through communication with heating, ventilating, and air conditioning (HVAC) equipment. Older thermostats often contain mercury. The photo shows some common mercury thermostats and the glass ampule under the cover, which contains the mercury. Mercury thermostats have bi-metal coils that contract and expand with room temperature.

heat. Solar Dermatitis . While your cat will benefit from the extra vitamin D she soaks up from the sun streaming through a screened window, sunlight may be hazardous if she gets too much of a good thing. Cats that suffer from overexposure to sunlight can get sunburn just like we can. And your cat doesn't need the sun's heat to be affected.
