The Generational Shift in the Workplace: Are WE Ready? My experience as a Generation Xer in the business world inspired my interest in the subject of generational shifts in the workplace.

The Generational Shift in the Workplace: Are WE ready?

History. William Strauss and Neil Howe's partnership began in the late 1980s when they began writing their first book Generations, which discusses the history of the United States as a succession of generational biographies. Each had written on generational topics: Strauss on Baby Boomers and the Vietnam War draft, and Howe on the G.I. Generation and federal entitlement programs.

International Estate Planning for Cross-Border Families

Understanding company decision-making. 18 January 2019. A company is a useful structure for the ownership of a property or business. A company structure may make it easier to raise finance, there may be tax benefits and the entry and exit of shareholders may be easier than if the business is carried on by a sole trader or partnership.
