Amazon.com: vince flynn collection: Books

This is book 10 (2007) in Vince Flynn's Mitch Rapp series. It's rated 4.33/5.0 on GoodReads and is 416 pages. I rated it 4.0/5.0. The brilliance of this book is Vince Flynn's grasp of world politics, and his understanding of how the various groups might respond to the stimuli he presents, making it a hypothetical learning experience.
