Batik is a century old process of decorating cloth using wax and dye. Using a similar process, you will create beautiful translucent watercolor paintings on textured Japanese paper. Judy will demonstrate and instruct each step of this unique and fascinating process.

### **Orange City Arts | Watercolor batik workshop with Judy**

Watercolor batik is a painting technique that has been floating around for a while. I have painted on fabric before (not batik method strictly speaking), I knew the theory (basically, you use wax/paraffin in place of masking liquid and rice paper in place of regular watercolor paper) and I kept seeing paintings done in this technique here and there.
