What Makes University Students Happy? 31 Compared to the Australian students, Finnish respondents seem to be more content with their life at university. The comparative results are presented in Table 2. In Finland, 86.6% of respondents are content (strongly agree or agree with the

### **What Makes University Students Happy? - Economics Network**

Students are characterized by different learning styles, preferentially focusing on different types of information and tending to operate on perceived information in different ways [10, 11].

### **Understanding Student Differences - ncsu.edu**

If students approach their learning with enthusiasm and curiosity, one of the results will be an attitude of content mastery rather than just "learning for the test." The ability to connect concepts with facts enhances mastery and becomes a lifelong skill.

### **Characteristics of Successful Online Students**

Therefore, this study will identify and measure the extent to which students' characteristics influence higher education quality so that university authorities and policy-makers can segment the entire student pool into subgroups based on the differences of students' characteristics and target the right group of students.

### **Determinants of education quality: what makes students**

Academics and students have different ideas October 24, 2017 3:05pm EDT There is no good reason the views of students should be disregarded in what defines quality higher education.
