The functionality of PDF format means that it is not necessary to worry about whether fonts, images and other content is available when PDF files are shared between users on different computers. This is because those components are contained within the PDF file itself and do not depend on additional applications (other than a PDF reader) in order to display as they did on the author's computer.

Continues in part: Who Owns Whom (High Wycombe, England). In one volume this publication provides the corporate family trees of parent companies registered in Australasia, Asia, Middle East and Africa, as well as an alphabetical index of all subsidiaries located in these areas linked to the ultimate parent.

Who Owns Whom. Australasia, Asia, Middle East & Africa

that he or she owns. When a landowner dies without a will (called dying intestate) or with a will that isn't written correctly, the law says that the land is automatically divided among the surviving family members. Those family members who inherit land from the deceased landowner are called heirs.
